916-327-8988**BOARD OF EQUALIZATION UPDATES LIST OF TOP 250 TAX DEBTS**

The Board of Equalization (BOE) added 45 names to its list of top sales tax debtors today. The debts added today together make up nearly \$42 million in sales tax owed to state and local governments.

Recent legislation directs the BOE to post its largest sales and use tax delinquencies after notifying the debtors that their tax liabilities will be disclosed to the public. Taxpayers can have their information removed from the website by paying the amounts in full or by agreeing to make payments to the BOE.

Since the inception of the program, seven taxpayers came forward to take care of their debts, four through payment agreements and three by making payments in full. Their account balances represent \$4.1 million dollars in state and local sales tax.

The list, which is updated quarterly, currently includes \$278 million in liabilities. Tax liabilities under appeal, litigation, or bankruptcy proceedings are not included.

The five-member Board of Equalization is a publicly elected tax board. The Board collects nearly \$53 billion annually in taxes and fees supporting state and local government services. It hears business tax appeals, acts as the appellate body for franchise and personal income tax appeals, and plays a significant role in the assessment and administration of property taxes.
